

# NORTH CAROLINA SCRAP TIRE CERTIFICATION

## REQUIRED FOR FREE TIRE DISPOSAL AT PUBLIC COLLECTION FACILITIES

Parts I and II must be completed to qualify for free disposal. Used tires and casings obtained from out-of-state by retreaders or used tire dealers are not eligible for free disposal. County may require proof that tires originated in NC. Used tire dealers, wholesalers, brokers, retreaders, and others who sort, grade, or cull loads of tires which were removed from vehicles by another NC dealer must provide the original certification from the individual who first removed the tire from a vehicle. Tires stockpiled before January 1, 1994 are not eligible for free disposal.
